

GRAND CHAMPION of the Will County 4-H beef show this year was a Hereford, shown here with his owner, Patti Lewis, Rt. 3, Joliet. When the Herefords were shown Thursday afternoon Patti was in the process of modeling a dress in the 4-H Fashion Revue and James Phelps, Plainfield, showed the steer which was adjudged champion of the class. Patti finished her fashion bit in time to get back to show her prize beef for the grand championship and when she was handed the rosette signifying grand champion she shed a few happy tears. In winning the grand championship Patti's entry beat out the entry of her sister, Cindy, which won the champion Angus.

Vote This Saturday On Mokena Library District

A referendum is to be held Saturday, Aug. 6 to decide whether Mokena is to have a public library.

The election was called by the Will County Circuit Court following approval of a petition to establish a Library District that would encompass the Mokena Grade School District with the exception of the Rolling Heights area in New Lenox Township. New Lenox has its own library district.

Orland Park has had a village library for many years and recently the residents of Frankfort voted to establish a village library there. Tinley Park has a library. Mokena is the only community in the area that lacks a tax supported library.

Under the new state library

law only tax supported libraries can make use of the state's book collection. In previous years a community library could exist on the books it was able to borrow from the state.

That is the way the Mokena library, which was established by the Mokena Book Club, was able to carry on. Members of the club served as volunteer librarians and the rent on quarters occupied on Front St. has been paid by the Mokena Lions Club.

Last year the Book Club received notice that the use of state books was to be cut off unless Mokena established a tax supported library and become a part of a regional library system.

Last week the State allowed the Mokena library to fill its shelves because of the fact that the people are endeavoring to establish a library district and a referendum is to be held this Saturday.

According to a Mokena Book Club spokesman the State served notice that if the referendum fails to carry there will be no more books forthcoming. This would mean, it was said, that the library would have to close its doors.

Book club members and others interested in establishing a library point out that whether a community has a library is a factor that

of New Lenox, Wilbert of Mokena, and Alvie Speiss of Mokena, also five grandchildren.

He was preceded in death by his parents, Peter and Elizabeth; two sisters, Annie Reiter and Olive Kohl and two brothers, Harvey and Lewis. Removal was to the Hirsch Funeral Home in Tinley Park, where Masonic Services were held Tuesday evening at 8 p.m.

Memorials accepted to the Shriners hospital or St. John's Church.

Hold Funeral Rites For Harold Speiss

Funeral services for Harold W. Speiss, 66, of 10830 Front Street, a former mayor of Mokena, were held Wednesday Aug. 3, at 2 p.m. in St. John's Church with burial in the Church cemetery.

Mr. Speiss died suddenly on Saturday, July 30, in Rice Lake, Wis., from where he and his family were returning from a fishing trip.

He had been an alderman of Mokena for 16 years before his election as mayor in 1949. He was active in many civic endeavors and was on the board of St. John's Church. He was foreman of the Will County Highway Department, which he served for 34 years prior to his retirement in February of this year.

He was a member of the Matteson Lodge, no. 175 A.F. and A.M., Ancient Accepted Scottish Rite, the Shrine of Medinah Temple, Joliet

HAROLD SPEISS

Shrine Club and Mokena Wayfarers.

Born in Orland Park, he moved to Mokena in 1920. He and his wife, the former Edna Schmuhl were married in 1925.

Survivors include his wife; a daughter, Mrs. Raymond (Elaine) Bauser of Blue Island; a son, Gordon of Mokena; three brothers, Walter

industries and manufacturing firms take into consideration in seeking plant locations.

The tax rate for a district library such as has been recommended for Mokena would be six cents per \$100 of equalized assessed valuation.

If a district library is established then it would share in the materials and financial aid to be allotted by the State to the regional library systems and the people of Mokena would have access to the same books and reference works that are now obtainable only in city libraries.

There will be two polling places Saturday, one at the Carpenter Street School and one at Bernardin's (Florist) garage. The Carpenter Street School is for the use of persons living inside the corporate limits of Mokena; persons outside will vote at Bernardin's. The polls will open at 6 a.m. and close at 6 p.m.

Eight Area Families Host Friendly Town

MRS. SHERMANKNOX
Telephone: 349-0211

Friendly Town, the Midwest's fastest growing community, opened its screen doors, hearts, and lawn sprays to 1,100 children from the poor neighborhoods of Chicago's inner city, starting July 16th. Friendly Town consists of families from the suburbs and points beyond who invite Chicago children six to eleven years

old to visit them for two-week summer vacations. It is a program sponsored by the Chicago City Missionary Society, an agency devoted to making the city more human through combined action of suburban and inner city churches and laymen. In the Palos-Orland-Frankfort area, 8 families served as Friendly Town hosts, according to Rev. Leon Leatherman, Area

Chairman. Two of these Host homes were in Frankfort, two in Orland, and four in Palos Park.

About 22 members and guests of the Esther Circle met in Wesley Hall, Thursday morning to sew and embroider, and at noon they were invited to have luncheon at the parsonage, Mrs. Leon Leatherman, host.

Thursday, July 28th, Emily Zerbs, President, Dorothy Thoms, Secretary, and Lilah Kruspe, Rehab chairman and a Past President of Orland Park Unit #526, American Legion Auxiliary, attended the Convention, held at Conrad Hilton Hotel, in Chicago.

The cancer dressing group will meet in Wesley Hall, the Methodist Church, Wednesday, August 10th at 10 a.m. Bring a sandwich if you plan to be there for lunch. A committee will serve coffee and dessert at noon. Mrs. Harry Pihl, chairman extends an invitation to anyone interested in this worthwhile project.

The Adult Bible class of the Methodist Church will meet at the home of Mr. and Mrs. Harold Morlock, Wednesday evening, August 10 at 8 p.m. Friends are most welcome.

Mr. and Mrs. Lawrence Uthe of Eagle River, Wisconsin, formerly of Orland Park, are visiting relatives and friends in the area. They called on Mrs. Mabel Ekberg last Friday and also visited Mr. Ivar Benson.

Mrs. Alice Smith of Stratford, Manchester, England is spend a few weeks with her sister, Mrs. Foster Myrick and family. The girls have not seen each other the past 21 years.

Jack Thomas who appears on Channel 2 and 5 for Sinclair commercials, is the husband of Karen, daughter

of Mr. and Mrs. Harry Anderson on 108th Ave.

Mr. and Mrs. Harry Anderson, 146th & 108th Ave., recently returned from a tour of the Pacific Northwest and Glacier National Park. They traveled by train to Portland, Oregon where they had a conducted tour of the Columbia River Highway visiting points of interest and terminating at the Bonneville Dam and Salmon Hatcheries. In Portland Oregon they visited Mrs. Alice Adams and family. Mrs. Adams and Mrs. Anderson attended Lindblom High School in Chicago and had not seen each other for over thirty years.

Next stop on their itinerary was Tacoma from where they took a Gray Line bus to Paradise Inn at Mt. Rainier. They stayed there 24 hours and enjoyed the scenery, wild flowers and trail walks, partly in snow, while the mid-west had temperatures near the 100 mark. Two nights and a day were spent in Seattle where they took land and water tours including going up to the Space Needle and riding the Monorail. They took a ship to Victoria, B.C. and a Gray Line bus to the famous Butchart's Gardens, then a ferry to Vancouver.

On the way home they spent four days at Glacier National Park. First night was at Lake McDonald Lodge, the second at Mang Glacier Hotel and the third at Prince of Wales Hotel. Tours and launch trips filled the days. Final stop was lunch at Glacier Hotel where they boarded the train for home.

The Prayer meeting of the First Baptist Church of Orland Park was held at the home of Mr. and Mrs. Clifford Darr, 15144 Huntington Court, Wednesday evening, August 3rd.

Revising Brochure Covering Frankfort

Herbert Lambrecht, real estate dealer and insurance man, has been named head of a committee of Frankfort Chamber of Commerce members appointed to bring a brochure on the community up to date. The work was undertaken to acquaint residents, as well as non-residents, with the resources and possibilities of the area.

The action was taken at the regular meeting of the Chamber held Wednesday of last week.

Herbert Folkers told members of the possibility of the Will County Historical Club moving its headquarters and proposed Will County Museum to Frankfort. Folkers was appointed chairman of a committee to work for the establishment of the museum at Frankfort.

The idea of establishing a county museum at Frankfort ties in with the 19th century atmosphere program adopted last year by the Chamber of Commerce. The business

section of Frankfort looks much like it did before the turn of the century and the business men and community leaders decided to take advantage of it and so began to develop an earlier day air in the buildings and decorations. Shurt Breidert and Ralph Bow were re-appointed co-chairmen of the program at last week's meeting.

The Chamber proposes to erect a sign in the vicinity of U. S. 30 and U. S. 45 to advertise Frankfort and its business facilities. Breidert, Show and Paul Lambrecht, were named as a committee for this purpose.

Relative to signs, Jack Houchens was instructed to check on the various Chamber signs at the entries to Frankfort and have them repaired and repainted where necessary.

There will not be another Chamber meeting until September, it was decided.

Wayne Clark, of 14414 S. Highland Ave., Orland Park, has enlisted in the US Marine Corps in Chicago as a member of the Fort Dearborn Company.

John V. Welge, whose wife Nancy, is the daughter of Mr. and Mrs. Arthur E. Kartman of 8420 Hillcrest Drive, has been promoted to first lieutenant in the US Air Force.

Bob Miller, owner of Bob Miller Mercury, and his wife have been awarded a seven day Caribbean cruise aboard the luxury liner S.S. Independence, Mr. and Mrs. Miller will board the ship in New York on Aug. 6 and will sail to St. Thomas, Virgin Islands, and San Juan Puerto Rico.

"HURRY UP AND OPEN", say the youngsters who line up at the Mokena Village Library every Wednesday afternoon. A curtailment of State Library books may mean the closing of even this limited service if the Library Referendum August 6th is not passed.

MORE ROOM needed for eager readers in the Mokena Library which houses a collection of its own and State Library books in inadequate facilities. Major sources of Children's books is the State Library which will withdraw this service entirely if the voters of Mokena defeat the Library Referendum August 6th.

FULL SHELVES. . . or empty shelves. That is the question which Mokena voters must decide at the Library Referendum August 6th. Picture (left) shows the newest supply of State Library books. Photo (right) shows the same shelves before the State books arrived last week. If the Library Referendum is defeated this will be the last shipment of State Books which Mokena will receive for its library.

A BOOSTER for the library referendum is Karen Paska whose poster won second place in the Library Week Contest held this spring. As the only winner currently in town, Karen represents the group which includes Thomas Beil who was first place winner at St. Mary's and Al Bolitti who won third place at that school. Winner at Willowcrest was Brenda Robertson. The posters are currently on display in public buildings around Mokena and all urge voters to cast a "Yes" ballot for the library referendum Aug. 6.

Members of the New Lenox Village Board are now tabulating and classifying preliminary returns from the postal card questionnaire on city water recently sent to 700 sewer users. New Lenox is one of the very few villages in the State of Illinois that operates a sewer system without a public water system.

With about half the cards now filled out and returned, the replies are running about 60 percent "yes" for a water system. Other factors, such as the time that the prospective users will connect and the area in which these families live, have yet to be reduced to graphs and maps. The Village Board is specially anxious to have at least all the "yes" replies returned by Aug. 10, at which time the tabula-

New Bishop Of Joliet

BISHOP ROMEO BLANCHETTE, 53, newly appointed bishop of the Catholic Diocese of Joliet, is a native of Kankakee county, having been born on a farm near St. George. He succeeds the late Bishop Martin D. McNamara, who died May 23, this year. He was named titular Bishop of Maxita and auxiliary bishop to Bishop McNamara, Feb. 8, 1965 and consecrated Auxiliary Bishop of Joliet April 3, 1965, by Archbishop Egidio Vagnozzi, Apostolic Delegate to the United States. Upon the death of Bishop McNamara he was named administrator of the diocese. That was on May 23. He was named as Bishop of Joliet by Pope Paul VI on July 27. Bishop Blanchette had been notified of his nomination July 16 but was committed to secrecy. It is rare for an auxiliary bishop to be elevated to bishop of that diocese and also rare for bishop to serve in his native area, Kankakee County if part of the Diocese of Joliet. The other counties in the diocese are DuPage, Kendall, Grundy, Iroquois and Ford. Bishop Blanchette was ordained a priest April 3, 1937 by the late George Cardinal Mundelein at St. Mary-of-the-Lake Seminary Chapel, Mundelein. Post graduate studies were taken at Pontifical Gregorian University at Rome from 1937 to 1939 where he earned degrees of Bachelor of Canon Law and Licentiate of Canon law of marriage. He was an assistant at Holy Name Cathedral, Chicago, and notary and ecclesiastical and advocate at the Archdiocesan Tribunal; at the Chicago Chancery Office. In 1949 he was appointed to form the Joliet Chancery Office and on Jan. 6, 1950 was appointed Vicar General of the Diocese of Joliet. On Aug. 1, 1950 he was invested as Domestic Prelate with the title Rt. Rev. Monsignor, and on Nov. 12, 1959 was invested as Protonotary Apostolic. He speaks French, Latin, Italian and English fluently and is a student of German, Greek, Spanish and Hebrew. (Matthews photo)

tion and analysis will be completed.

ter of Boy Scout Troop 40 of Mokena, was tapped to the Order of the Arrow, of Boy Scouts of America, at a ceremony during Boy Scout camping at To-Pe-Ne-Bee scout camp of Pottawattomie Council in Michigan City, Indiana, where they camped out for a week.

Mr. and Mrs. Clarence Bump and daughter Gail, 514 E. Joliet Hwy. have returned

home from a two weeks motor trip to Littleton, Colo. where they visited with cousins, the Clifford Young family. While there they visited many points of interest, Pikes Peak, Garden of the Gods, Royal Gorge, the Air Force Academy, etc.

The Couples Club of Grace Episcopal church will hold their annual family picnic on Aug. 5 at the Sam Carrs.

Bishop Expresses Gratitude

Bishop Blanchettes statement upon his appointment as Bishop.

"It is with joy and gladness together with a sense of humility that I have accepted my nomination to the office of bishop of the Diocese of Joliet. I am happy to be able to stay in this area in which I have labored for over 17 years since the very beginning of this diocese. The seven counties which form our diocese have a population of over 780,000 of whom about 35% are of the Catholic faith. It is with humility that I accept the position of their spiritual leader relying on the help and mercy of our Lord, and placing filial confidence in His Blessed Mother, Mary, our Mother.

"I want publicly to thank our Holy Father, Pope Paul VI, for showing his confidence in me by naming me to succeed our beloved departed Bishop McNamara; to our Holy Father and pledge my continued filial devotion and obedience in the service of God and the church. I will thus try to follow in the footsteps of our late bishop.

"Of all -- priests, religious, laity and all those not of our faith--I beg prayers that I may become worthy of this responsible position and that I may constantly serve everyone faithfully in justice, kindness and love. I pledge my every effort to accomplish this in the challenging years ahead of us. May God our Father hear these prayers; may His Holy Spirit inspire and guide us; and may we always seek to fulfill the mission of Jesus Christ, the Son of God and Savior of all mankind!"

Scenes From Annual Will - Cook 4-H Fairs

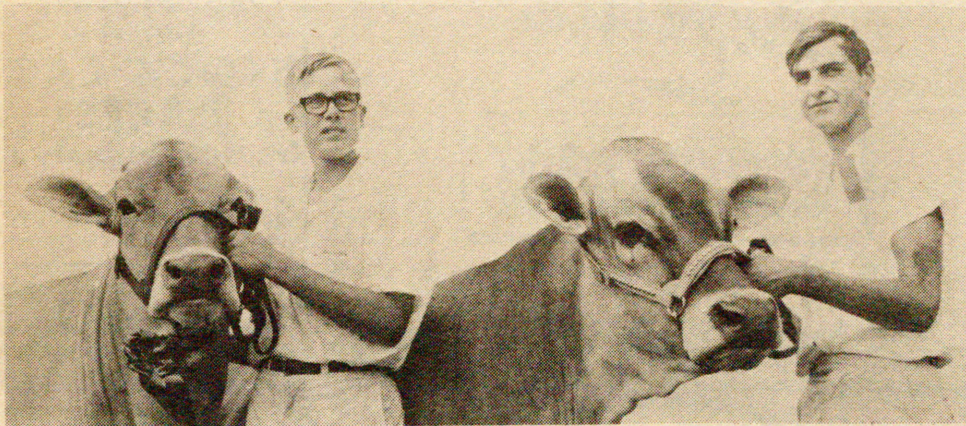

HOLSTEIN CHAMPIONS -- The senior, left, was shown by Russell Koehn, and the junior, on the right, by John Heisner, both of Peotone. The young lady at the left is Nancy Heldt, of Beecher, champion dairy cattle showman of the fair. John Heisner was junior dairy cattle showman champion. (Graphic Newspapers photo)

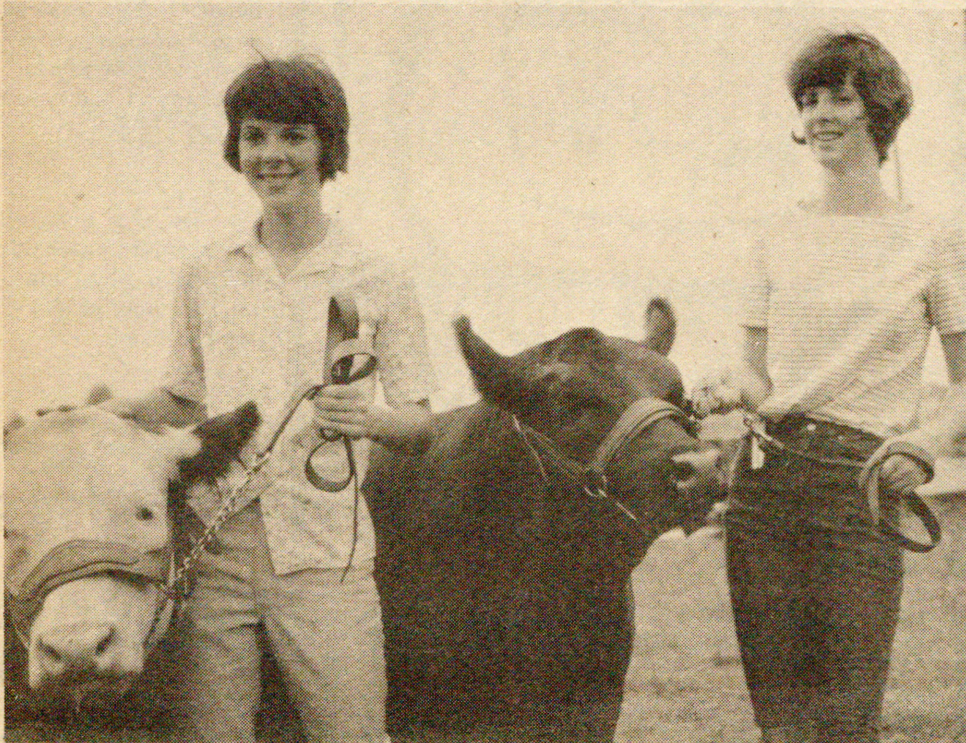

CHAMPION HAMPSHIRE ewe at the Will County 4-H Fair is this animal shown by Keith Krapf (center) of Monee. At the left is Robert Stewart, Plainfield, junior champion sheep showman, and at the right is Bill Francis, of Wilmington, the senior champion sheep showman. (Graphic Newspapers photo)

TOP GUERNSEYS of the Will County 4-H show. The senior champion, right, was shown by Bruce Wichtendahl, and the junior champion of the breed by Janet Thiesfeldt. Both are from Peotone. (Graphic Newspapers photo)

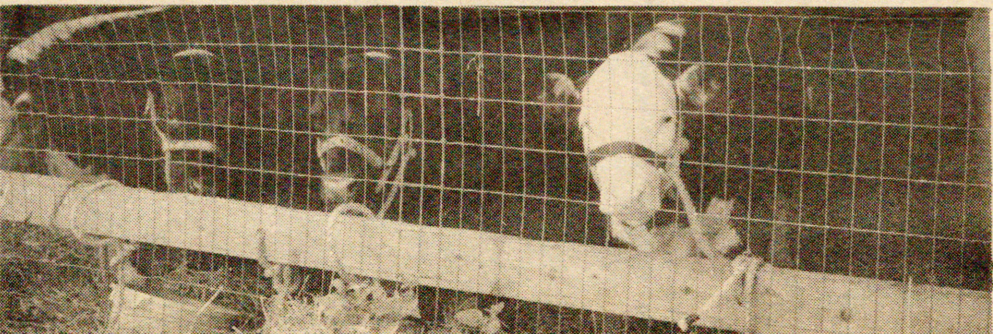

BROWN SWISS champions of Will County 4-H Fair. The senior champion cow is on the left with its owner, Melvin Meyer, of Peotone. Warren Asbrand, also of Peotone (right) showed the junior champion of this breed. (Graphic Newspapers photo)

THE LEWIS SISTERS took high honors with their beef cattle entries in the Will County 4-H Fair last week. Pattie (left) went as far as one can go, her Hereford having been adjudged as the grand champion as well as champion of his breed. Cindy (right) had the champion Angus shown at the fair but lost out in the grand championship competition. They live on Route 3, Joliet. Their mother, Mrs. Naomi Lewis, has won many national honors in showing purebred cattle.

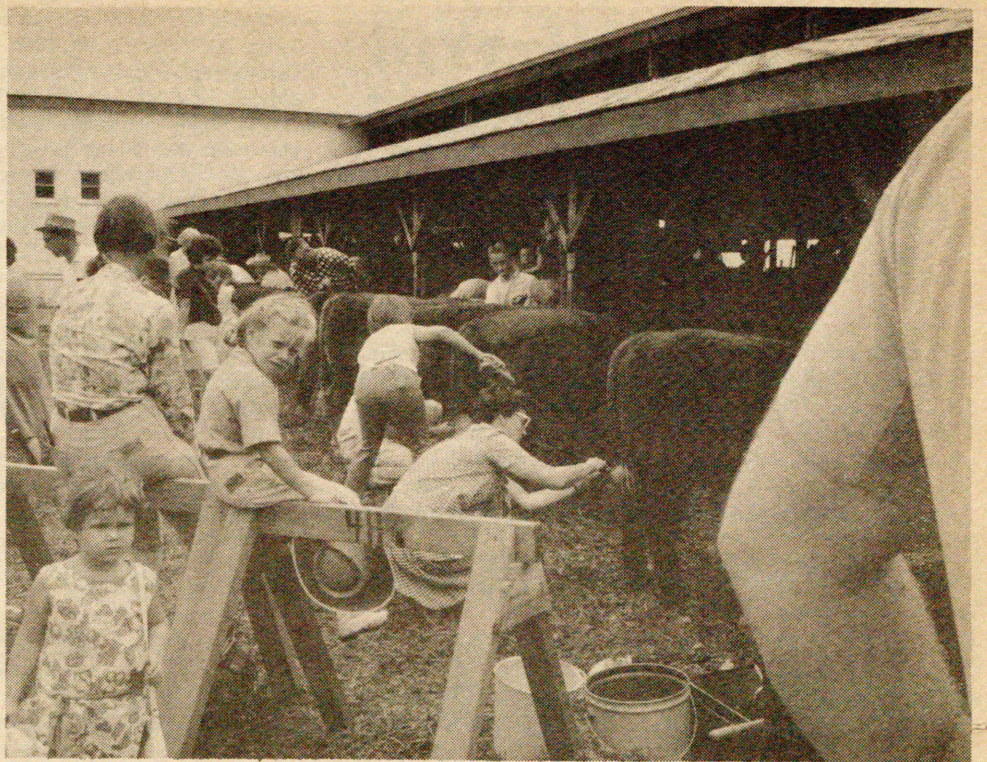

A DIFFICULT TASK was that of Mrs. Raymond Bernard, Orland Township, (left foreground) at the South Cook County 4-H Fair last weekend at Francis Field. Mrs. Bernard was a judge of various food displays and is shown here dealing with a group of cookie entries. In the picture below is a table filled with coffee cakes, other cakes and many other delicious exhibits. (Graphic Newspapers photos)

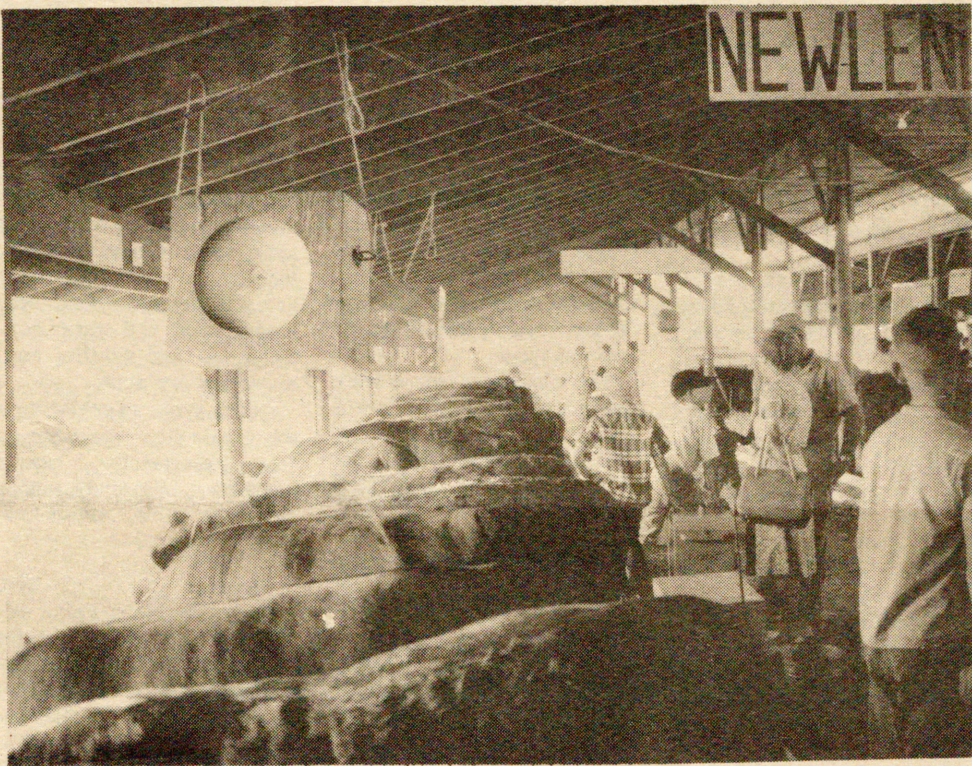

IF YOU want to stand out in a crowd be a Hereford in a bunch of Angus. Those entries at the Will County 4 - H Fair belong to Jim Chestnut Jr., who resides east of Mokena.

JAMES RINK, member of the Reed-Custer Ramblers 4-H Club was giving his Hereford a final bath before the class was called to the show ring last Thursday in Will County 4-H Fair. How many times these calves are bathed, combed and gone over with a vacuum cleaner is a question no one has bothered to find an answer for so far. Oh, yes their coats are oiled, their hoofs shined and when their tail ends are fluffed to the proper degree hair set is applied. Looking on are his aunt, Mrs. Charles Snyder and three cousins, Dave, Don and Pamela Snyder, who also reside near Braidwood. (Graphic Newspapers photo)

A LOT OF WORK goes into the preparation for calves to be shown in the various competitions at 4-H fairs. Parents give youngsters a hand in the final frenzied effort just before a class is called to the show ring, as this mother at the right attests. The girl to left wielding a brush is Jill Swanson, whose Shorthorn entry was champion of that breed and went on to become reserve grand champion of the show. The cattle shown here are all Shorthorns. (Graphic Newspapers photos)

THOSE 4-H'ERS give excellent care to the animals they raise and show. Last week when the Will County 4-H show was in progress it was quite warm and the humidity was high. The animals don't like heat any better than humans and various exhibitors brought electric fans to the grounds and mounted them so their entries had some comfort. (Graphic Newspapers photo)

DEEDE HAUERT, Elwood, a member of the Jackson Live Wires 4 - H Club, wearing her prize winning outfit in the fashion revue at the Will County 4 - H Fair. It is a 4-piece affair, blouse, jacket, skirt and over her arm is a pair of slacks, all of her own making.

Low Income Rural Families Get Aid

Farmers Home Administration County Supervisor Vincent L. Brandow, who services Will County, said today, new or improved housing is well within the price range of most rural families with small incomes, because of new federal government financing arrangements.

"In this section of Illinois," Mr. Brandow continued, "we are helping families building housing on which their monthly payments, in some cases, will be as low as \$35."

Other families are making plans to have their homes renovated inside and out.

"Our loans for home improvement," Mr. Brandow added, "enable a family to put new siding on their house and fix - up and paint - up the interiors as well as the

outside. These funds can also finance the installation of a bathroom or an extra bedroom."

Funds are provided by private lenders with repayment guaranteed by the federal government. Farmers Home Administration credit is advanced only when the applicant's needs cannot be met by other lenders.

Mr. Brandow said that families with weekly take home pay as small as \$45 may be able to obtain loans to improve their housing, through construction of new homes, purchase of previously occupied housing or repair or expansion of present dwelling.

Applications for loans are made at Room 213, Post Office Building, Morris, Ill.

hedge demonstration planting in the nation. This collection is of special use to nurserymen, landscapers, and gardeners in the mid-west. A careful study of the planting reveals those plants that are especially adaptable as hedging in this area. Rather than being restricted to only yew and privet a gardener can choose from dozens of possibilities. Those plants that are less suited for hedging are also included in the collection. This enables the horticulturist to discriminate between the good and the very best in the 195 plant collection.

The Morton Arboretum is also helpful to horticulturists seeking groundcover substitutes for grass. The big three groundcovers in this area are Thorndale ivy, myrtle and pachysandra. The groundcover collection

however, exhibits such shade loving plants as carpet bugle and epimedium. For sun a variety of sedums plus many other plants are featured.

Lilacs are one of the best flowering shrubs for this area. An extensive collection is located at the Arboretum. Unfortunately most of this years mid-May bloom was killed by the late frost. The Arboretum collection plus those in a nearby Lombard park make this the lilac capital of the mid - west.

Of special interest is the crabapple collection. Here one may determine the size shape and vigor of a particular variety of crabapple at various stages in its life. As shown in the collection, a crab apple may be quite upright and compact during its first ten years but become rangy and spreading during later life.

ANOTHER PRIZE winner in the fashion revue was Miss L. Griff, Joliet, modeling suit and hat and carrying coat that she made for this event of the Will County 4 - H Fair.

Mokena Officials Make A Report To The Public

Every water and sewer customer in Mokena received a summary of the activities of village government covering the first year in office of the present administration. The report also includes some of the plans for the future.

Mayor Eric G. Book and Trustees Roy Richardson, George Bills, Clarence Zugenbuehler, Marvin Weiten-dorf, Gary Chase and Hans Mueller, each submitted a resume of the work accom-plished thru their depart-ments.

Two new committees have been set up, Local Improve-ments and Industrial De-velopment to assist the vil-lage board and the commu-nity in being able to expand it in an organized, well plan-ned method.

"There may be some that feel Mokena should not ex-

pand," said Mayor Book, "but Mokena is going to grow and people are going to move here whether we like it or not. If we don't have a de-finite growth plan, Mokena will end up in a hodge-podge and it will be difficult, if not impossible, to straighten it out in the future."

"The Plan Commission is now actively engaged in find-ing out the intent and ways that adjoining neighborhoods can be annexed to the vil-lage. These annexations will increase our overall valua-tion; increase our bonding power; increase our motor fuel tax income; increase our sales tax income, besides providing better services to the areas annexed. So it is evident that these areas when annexed will help Mokena as well as themselves."

"Mokena must be aggres-sive and be prepared for the

future. These are the aims of your village officials for the coming year."

At present the tax rate for the village of Mokena, for all purposes, is .647 cents per \$100 of equalized assessed valuation, which is 13 per cent of the total rate of \$4.976 per \$100 for prop-erty owners living within the Mokena corporate limits.

Last year the people ap-proved a bond issue of \$105,-000 to drill a new well and expand the water system. The work was completed this summer and Mokena has new well that is rated as one of the finest in the state. It can pump in excess of 2,200 gallons a minute; 500 gallons a minute is consid-ered a good performance for a well.

The board plans to rid the community of any unsightly area. A building inspector

has been employed to give tighter control over con-struction and better protec-tion to the person building.

A program of upgrading the village streets has been in progress for the past three years, doing about one-third of the streets a year. Drain-age at the intersection of Wolf Rd. and McGovney St., has been corrected to allow permanent repairs on Mc-Govney.

Thanks to the volunteer efforts of townspeople and village employees the debris occasioned by twisters last year was cleaned up.

Plans are under consi-deration to assure sidewalks for the entire village, it was stated.

A new snowplow and cin-der spreader have been pur-chased for the new truck purchased last January in preparation for the coming winter.

Surface water continues to be a problem and prob-ably will be, it was pointed out, until sometime in the future when installation of a storm sewer system be-come possible.

MRS. THOMAS H. JACOBY (Lorraine photo)

St. Mary Church Is Scene Of Smego-Jacoby Wedding

St. Mary Church, Mokena, was the setting for the June 25 wedding of Sharon Ann Smego, daughter of Mr. and Mrs. George Smego of rural Frankfort, and Thomas H. Jacoby, son of Mr. and Mrs. Lewis Jacoby, 1666 Henry Av., Des Plaines, Ill.

Father Ermin Micka OFM, Chaplain of the College of St. Francis, Joliet, officiated at the 3 p.m. double ring ceremony.

Escorted to the altar by her father, the bride wore an Ivory floor length empire gown of rich silk summer faille trimmed with beaded medallion at the empire band. The crown was of silk faille adorned with pearls. She car-

ried a bouquet of glimmalies and ivy.

The soloist was Sue Or-suluk, a college friend of the bride and groom. Among her selections were "Ava Maria" and "Merciful Sav-ior."

The matron of honor, Mrs. Thomas Gumble, wore a gown of aqua peade soi with scooped neck and elbow length sleeves. The brides-maids, Mrs. Pricilla Sutton, Mrs. Geri Tighe, sisters of the bride, and Mrs. Barbara Emmett, wore gowns iden-tical to the Matron of honor.

Mr. Thomas Clark served as best man and ushers were Charles Bosshart, James Al-breicht, and Leonard Ficht, all college roommates of the

groom.

The brides mother wore a 3-piece pink silk shantung suit with raspberry pink ac-cessories. The grooms mother chose a pale green silk shantung dress with bone accessories. Both mothers wore a cymbidium orchid.

A reception was held at St. Mary's hall in Mokena with approximately 275 people attending. After a wedding trip to the Wisconsin Dells, the couple now reside on Chicago's northwest side.

The bride was previously employed at Eisenhower School in Joliet as an inter-mediate teacher. The groom is employed at Walgreen's in Oak Park as a manager.

Arbury Hills

Community Baseball Team Wins 2 Games

MRS. EDWARD HOVI
Telephone: 479-5740

The Angels Farm Team played Lincoln Estates for the final time this season and won a lopsided victory by the score of 16 to 2.

The Angels also played the Wildcats for their second game last week. It was a closely contested game with the Wildcats tying the score in their half of the final inning, making the game 4 to 4, but the Angels managed to score a game ending run in their half of the inning. The final score of the game was 5 to 4.

There is one more game scheduled between the two Arbury Hills Farm Teams to close their season.

The Minor League team, the Red Sox, had two sched-

uled games with the first one being scheduled against Lincoln Estates. This game had to be forfeited to Arbury Hills, when there were not enough boys present to comprise a team for Lincoln Estates. The score, therefore, is considered to be a win for our Red Sox by the score of one to zero.

The Red Sox decided to play an intramural game to fill in for the forfeited game with the score ending at 8 to 2.

The Red Sox did manage to play one scheduled game in Manhattan. It was a well played game on both sides, with Manhattan coming out on the long end of a 4 to 2 score.

The two teams are playing a tie breaking game to determine first place, since Arbury Hills and Manhattan are tied for first place in their bracket.

The Arbury Hills White Sox of the Little League played both Mokena Teams the

past week. The first game saw the White Sox slaughter the Mokena Dodgers by the score of 11 to 0, with the game going only four innings in recognition of the rule concerning the calling of a game with a difference of eleven runs.

The second game was a closer match with the White Sox competing against the Mokena Twins. The results were the same as far as the victor was concerned, but the score was much closer being a 6 to 3 victory for our boys.

The White Sox still have three games left, carrying them thru until Aug. 8. All three games will be played away.

The Lincoln Hill Dodgers of the Pony League also played two games with the first game against New Lenox with New Lenox winning by the score of 5 to 2. The second game was a cliff hanger with the ending score of 7 to 6 when the game was called because of rain. This was in the fifth inning, and, therefore was an official game. The Frankfort Giants were

declared the winners over the Dodgers.

The Dodgers are scheduled for two more games one at home and one away, before the seasons end. Lots of luck boys!

The Arbury Estates Cubs of the Colt League split their two games the past week with the first game against the New Lenox Lions. The Lions took the game by a one run decision 6 to 5.

The second game had opposite results when, the Cubs were declared the winner of a shortened game by the score of 5 to 2 when the rains came. It was also considered to be an official game.

The Cubs also have two more scheduled games before the seasons end also one at home and one away.

The Father-Son Banquet will be held at the school on Saturday evening, Aug. 20, beginning at 7:00 p.m.

In addition to the food for all the boys and their dads, there will be the presentation of the annual trophies to the winning teams and boys.

The work goes on and so

do the meetings. The regular monthly meeting of the baseball league will be held at the home of the president, Joe Arcuri, on Tuesday evening, Aug. 9.

The end of the playing season does not mean the ending of the work. It takes much work and many dollars to finance each baseball season. There are also final details
